

ADD A TEAM BUILDING SCAVENGER HUNT

TO YOUR NEXT EVENT AT

Fadó knows that top companies and groups are looking for new and exciting ways to bring teams together. We've recently partnered with cityHUNT and a suite of integrated digital tools to bring next level, neighborhood specific events to our clients.

Gather at Fadó, then head out into the neighborhood to complete a series of challenges, picture and video tasks. Then, come back to the pub to view a customized slide and video show documenting your experience ahead of your Awards Presentation! It's a unique, turn key, team building experience.
